MAYDAY

Summer 2026

Dear **Potential Partner**,

This summer, we are running a **7-day hackathon** called **Mayday** in **New Mexico**. Mayday is a hackathon and rocketry competition where teams spend 7 straight days building and revising a rocket, finally launching it on the last day.

Mayday is a part of **Hack Club**, a 501(c)(3) nonprofit organization that empowers 50,000+ teenagers around the world to code through a network of coding clubs and events. Hack Club has run and supported countless hackathons, including an overnight hackathon in San Francisco, a Game Jam across 50 cities, a hackathon on a Train from Vermont to Los Angeles, and much more!

Mayday is brought to you by experienced rocketry enthusiasts.

Our Mission

Our mission is to inspire the next generation of makers worldwide by introducing them to electronics and programming in a fun, low-stakes environment. Attendees will work in teams to build projects and advance their creativity, collaboration, and innovation skills.

For Hack Club, hacking means problem-solving, innovating, and creating incredible projects and friendships. The Hack Club community is made up of coders, makers, and artists brought together through their shared passion for creating.

Hackathons connect creators from different walks of life, like our own organizing team who wouldn't have met if not for Hack Club!

Why Sponsor?

1
Inspire

Inspire the next generation of inventors to revolutionize the tech industry.

2
Connect

Foster meaningful relationships with talented young developers from around the world.

3
Promote

Promote your product by providing guidance and incentives to future adopters.

Sponsor Perks

All values are in USD. Perks are negotiable.

	In Kind Non Fiscal	Silver $250-500	Gold $750-$1,250	Platinum $1,500-$2,500	Title $5,000

Sponsor Table- An exhibition style table to advertise your product or company.

Prize Category- Present a sponsored prize award.

Advertising Materials- Distribute company brochures, flyers, or other promotional items.

Streaming Ads- Brief promotional spots, similar to Spotify ads between songs, featuring your company's information.

Branded Challenge- Create and sponsor a themed coding challenge.

Title Sponsor- Titled branding across all categories, giving maximum visibility and recognition as the primary sponsor of the event.

TAX DEDUCTIBLE

Hack Club is a global nonprofit 501(c)(3). EIN: 81-2908499. Your sponsorship is tax-deductible!

Empower Tomorrow's

Innovators, Today.

Mayday is not your traditional hackathon. In a landscape where many local hackathons have become increasingly commercialized, we're bringing the focus back to creativity, fun, and innovation.

By partnering with Mayday, you're not just sponsoring an event — you're investing in potential. You're providing the spark that could ignite the next big idea, the next world-changing innovation.

Will you join us in this mission? Will you stand with us as we empower the next generation of tech leaders? Your partnership could be the key that unlocks a world of possibilities.

The future is waiting.

Are you ready to help shape it?

LET'S MAKE IT HAPPEN
